

Dear Member

As I am sure you are aware from April 1<sup>st</sup> the Royal Mint is introducing a new £ coin. This will result in the existing coin being phased out and will no longer be legal tender from October 2017.

We have taken this opportunity to review our squash court booking processes and procedures and following feedback from a number of our users and members will be implementing a new booking policy for all squash court bookings.

In line with other activities at Lilleshall any bookings made from June 1<sup>st</sup> will need to be paid for at the time of booking and the light token collected from reception prior to your session. The current outdated squash token machine will be removed from court corridor at this time.

To assist the ease and speed of booking a new online booking system will also be introduced at the same time as the above changes are introduced, this will be available via our website;

I would also like to take the opportunity to advise you of the revised price for 2017 which will be applicable from April 1<sup>st</sup> of £8.00 per 45 min session.

Additionally a new off peak rate will now be available for courts booked between Monday – Friday 09:00 – 15:45 of £6.00 per 45 min session.

We hope that these changes will alleviate some of the difficulties you have feedback to us around courts booked at prime times and not being used.

Should you have any further questions please do not hesitate to contact myself at the Centre.

Kind Regards

Laurie Jamie

Deputy Contract Manager
